CHIEF SECRETARY'S OFFICE A.R.P. 1 1943 GOVT. OF MYSORE

Regarding payment of bills in respect of repairs & renewals to the A.R.P. Propaganda Van used temporarily for National War Front Organization.

SIR,

E With reference to Government Order No.502-4/N.W.F.42-42-2 dated 17-8-1943, ordering that the expenditure incurred for repairing the loud-speaker set of the A.R.P. Propaganda Van and similar bills in future be met out of the funds of the A.R.P. Organization, I have the honour to state as follows:-

Not Sel & a NWF techi

In accordance with the G.O. No.649-52/N.W.F.22-41-2 dated 17-6-1942, the Propaganda Van is placed at the disposal of the City National War Front Organization since November 1942. A.R.P. Propaganda work has been stopped and the Propaganda Van with the loud-speaker-set is being used exclusively by the City National War Front Organization since January 1943 for propaganda work in the City.

The loud-speaker-set went out of order while being used by the City National War Front Organization, for their propaganda work and it was got repaired by the A.R.P. Officer to enable it to carry on their programme of propaganda without any break. The loud-speaker-set is operated by the Propagandists deputed by the National War Front Organization and the order of Government under advertance will not only tend to make the Propagandists to become careless in handling the loud-speaker-set, as the responsibility of repairing it devolves on another organization, but it will mean an additional expenditure imposed on the A.R.P. funds, on an item of work that it has ceased to do. Besides, it will not be an appropriate charge on the A.R.P. funds which is contemplated to be reduced to the minimum as the result of the revised policy regarding Civil Defence.

The charges incurred for repairing the loud-speaker-set damaged while being used by the National War Front Organization, is a proper charge on its funds and should therefore be met by the National War Front Organization from out of its funds.

I therefore, request that the expenditure may kindly be ordered to be met out of the funds of the National War Front Organization.

I have the honour to be,
Sir,
Your most obedient servant,

KVN.

INSPECTOR GENERAL OF POLICE.

5) Asked for general orders whether the expenditure may be debited to the N.W.F. organisation in the Civil Supplies Stores.

6) There seems to be considerable force in what the D.I.G. has said. The charge would be a legitimate one on the N.W.F. funds. On other grounds also it would be desirable to hold them responsible for such expenditure as it would enhance care in the handling of the vans.
